Mahindra Marine Unveils the Mahindra Odyssey 55

Made-to-Order Luxury Yachts from the Mahindra Odyssey Designer Series, crafted by Indian engineers
#MakeInIndia

Mumbai, January 18, 2017: Mahindra Marine, the first foray of a major Indian industrial group into the defense and leisure boating industry and the only corporate boat manufacturer in the country, unveiled the latest addition to its portfolio, its new flagship yacht – the Mahindra Odyssey 55.

The Mahindra Odyssey 55, a 16.8-metre long (55-feet) luxury yacht, is part of the Mahindra Odyssey Designer series of speed boats, and offers a range of customization possibilities to Indian boating enthusiasts.

“Our flagship Mahindra Odyssey 55 series, built to suit Indian conditions, embodies ‘Make in India’ in its true form, even as it draws from global design expertise and Mahindra’s proven engineering skills. An attractive combination of style, luxury and comfort, every luxury yacht is envisioned as a piece of art and can be designed and crafted to reflect the personality and lifestyle of individual customers. With this new addition to our portfolio, we are uniquely placed to cater to enthusiasts across the growing boating spectrum,” said **Hiten Ghelani, CEO, Mahindra Marine.**
